Douglas Vogt,

Case No.: 13-74137

Petitioner,

**MOTION TO EXPEDITE CONSIDERATION  
OF PETITION FOR WRITS OF  
MANDAMUS**

vs.

United States District Court, Western  
District of Washington at Seattle,

Respondent.

\_\_\_\_\_ /

COMES NOW Douglas Vogt (“Vogt”), and prays that this Honorable Court expedite consideration of the Petition for Writs of Mandamus in this matter which has now been pending for forty-one (41) days without resolution, and states as follows:

**I. An Important Issue and a Need for Speedy Consideration Is at Stake**

It states the obvious to say that this is a case of the utmost national importance and urgency involving the Constitution’s most fundamental rights as exercised in the Nation’s most important election. It is imperative that this Honorable Court hear Petitioner’s claim as soon as practicable. This Court’s expedited consideration of the Petition for Writs of Mandamus is warranted in order to ensure that Petitioner’s constitutional right to (i) an Article II, §1 President and (ii) access a Grand Jury is not irretrievably lost.

Time is plainly of the essence: Courts have previously granted expedited treatment of

cases involving substantial questions of national importance. *See, e.g., Dames & Moore v. Regan*, 453 U.S. 654 (1981); *United States v. Nixon*, 418 U.S. 683 (1974); *Youngstown Co. v. Sawyer*, 343 U.S. 579 (1952); *Ex parte Quirin*, 317 U.S. 1 (1942). The importance of this case is at least equal to, if not greater than, those landmark decisions. The Presidency, the constitutional rights of Petitioner, and the stability of our democratic process will be in dire jeopardy if this Court does not act soon.

## **II. Conclusion**

WHEREFORE, Petitioner respectfully requests that this Court expedite consideration of the Petition for Writs of Mandamus and thereafter issue it's writs of *mandamus* to compel Judge Robart to: (i) correct the docket in the District Court to accurately reflect the proceedings below, (ii) acknowledge Vogt's discharge of his obligations under the Misprision statutes, and (iii) in so much as the "public interest so requires", summon a grand jury to hear Vogt's forensic evidence which demonstrates that the Certificates of Live Birth ("COLBs") proffered by Barack Hussein Obama II ("Obama") to prove his eligibility to be President are indisputably forgeries.

**CERTIFICATE OF SERVICE**

I HEREBY CERTIFY that a true and accurate copy of foregoing was served without Exhibits by U.S. First Class Mail upon the Honorable Judge James L. Robart, U.S. District Court, 700 Stewart Street, Suite 2310, Seattle, WA 98101 this 8 day of January, 2014.
